

Revised and Expanded Edition

Historical Atlas of Central Europe

Paul Robert Magocsi

“Every international news reporter and diplomat should be locked in a room with the Magocsi atlas and not allowed out until he or she has fully assimilated its content. We may then see some accuracy in the news coverage by the former and wisdom in the decisions of the latter.”

—Mehrdad Izady

The revised and expanded Historical Atlas of Central Europe features:

- 20 new maps for a total of 109 beautifully crafted full color maps
