Our People

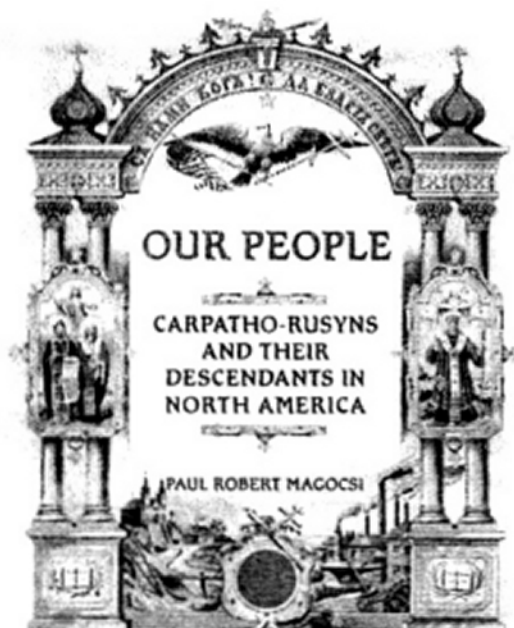

Carpatho-Rusyns and Their Descendants in North America

Paul Robert Magocsi

"Some obscure subjects may deserve obscurity, but the history of the Rusyns does not; the ambiguities of their national identity should be of considerable interest to scholars of nationality and immigration ... This is a well-presented and balanced study as well as a fascinating one."

Carol Skalnik Leff, University of Illinois

- The new fourth revised edition has an updated text and statistical data
- Several new photographs and new maps have been added
- The invaluable root-seeker's guide has expanded to over 1,100 Rusyn villages in Europe
- The village list has all variant names and is the best source to find the birthplace of your ancestors
- 102 black-and-white and color illustrations
